Caretakers report

Read and discussed. Bill is concerned about the front spindle on the tractor along with a few other needs. Bill was unaware of a couple of Scout Troop visits. He suggested again that we invest in a roller after KOR left many ruts throughout the campground. Would like to see Vvat out of the fields and stored in the cave. Committee is scheduling the tractor for this winter. Last two BS weekends surprised us too. And, yahoo re-invented their calendar and much information has disappeared. Roller, no decision, would like to try first. Vvat will probably

end up in the cave or somewhere. Not really in the way, not high priority. Need to work on better communication with caretaker.

Schedule

8/10 MIM prep. BGG picnic
8/18 Music in the Mountain (RKC)
9/8-9 Caver Appreciation Weekend
9/15 Scout Jamboree
9/22 Suer Troop from Huntington
10/20 GCG Halloween Party (tentative)

KOR Recap. Numbers and money not in yet. Possibly 375 adults and 70 children. WiFi worked in the vendor's booths. Decon station location in front of the showerhouse worked well.

MiM. Tarp is secured over the North Entrance. As of Aug 7th 223 seats sold. Werner will supply cashbox thru GSPC for sales of GSP and RKC merchandise. Tammy asked that GSP does not sell GSP tee-shirts an MIM so that RKC can liquidate MIM tee-shirts. Food vendor is confirmed.

8:45 Motion to adjourn, Werner. T.H. 2nd.

Next Meeting Sunday, Sept. 9th.
