Minutes. Read

TH motion to accept. WJ 2nd

Treasurer's Report.

Income exceeded expenses. Detailed Financial report available on request.

Caretaker's Report.

During his rounds, BC found the cave unlocked on 6/4. Also concerned about Scouts and other groups staying at the Preserve without having a sponsor on site. Neena will contact Jason to find out for BC who the sponsors were.

BC sent his ideas of where the gravel should go. Suggested two large trucks and one small truck to be spread before KOR. Priced Clifford @ \$11 per ton.

Old Business.

Open house. BD reported that open house was a success. Light attendance this year possibly caused by the weather.

Composting Outhouse. Three grant applications outstanding. Second level masonry completed. Next task is to stabilize backfill around the sides.

Youth groups. The committee needs to discuss with the new Youth Group coordinator the rules and guidelines for the Preserve.

Shelter Roof. Progress is being made and the goal is to have it completed by KOR.

KOR. Neena proposed work weekends and discussed a list of projects to be completed by KOR. Gravel will be spread during the two weeks prior to KOR. More volunteers needed.

Rescue Box. Scheduled to be installed the weekend of July 4.

Electrical needs for James Clements tabled.

Recycling Bins. Grant app. Still in progress.

New Business.

Toyota Volunteer Work Day. Discussion started to develop a plan for Toyota workers interested in volunteering to help us with projects at the Preserve this fall.

Need someone to organize a neighboring landowner Pig Roast this fall.

A Friends of GSP concept was mentioned. Much more discussion needed to consider a "Friends" level of membership.

Camping fees. Discussion needed to increase camping fees, camping passes, and electrical sites for 2011.
