Nothing new. SP will contact Darryl to see what the plan for 2021 is.

Ticket House:

On 1/2/21 SP, DP, WJ, NJ spent time doing demo, clean up, and patching the roof after removing the old vent stack. NJ said it felt good to have made progress. SP & JB plan to be back down to do some work as soon as they are available.

Website:

GB, our website unchanged and analysis still ongoing. The NSS website will be fully operational in April. There will probably be a charge to the IO's and Conservancies for website hosting. GB is researching hosts. NJ asked what the time frame would be. GB said he wants to get approval from all the boards involved.

New business:**KOR:**

Bob Dobbs has 10 positions filled. They do not have a chair, kitchen or banquet covered yet. If anyone has past pictures of KOR, please send them to Amy Hill for inclusion in the Electric Caver. SP asked if Bob would contact the Livingston Fire Department to run the kitchen.

Merchandise:

WJ picked up the round GSP logo stickers, 4" and 2" size, from Ron Hager. We received extras at n/c. DZ will research the oval stickers.

Open House:

We need to make a tentative decision on Open House by the end of February, firm decision by the beginning of March. Neena will mark May 15-16 on the calendar, and worst case it will be a work weekend. BD asked why we can't have it on a different weekend. WJ answered that it has been a tradition to be the weekend after Mother's day. The committee may look at doing an Open House in October if Covid hasn't calmed down by May.

Paypal:

PG stated the paypal site no longer has a comment to seller field. GB will investigate.

Groups:

NJ notified us that we had a request for a new Fire Department to tour the cave – the Crossroads Volunteer Fire Department near East Bernstadt. There are several people who are willing to lead this group on a tour. NJ will forward info to other committee members. "Bully" per JB.
